

## Over 50 Years of Curling in Green Bay!

A serendipitous combination of people and events led to the formation of the Green Bay Curling Club in 1958. While driving north for a vacation, Walter Selck of Chicago (a member of the U. S. National Curling Association), passed the Brown County Veterans Memorial Arena being built near the new football stadium.

The association was looking for a location to hold the next Men's National competition.

More than 50 people responded to a notice in the Green Bay Press Gazette inviting persons interested in the possible formation of a curling club. The meeting was held in City Hall.

By Nov. 21, 1958, the new Green Bay Curling Club was hosting a demonstration sponsored by the Midwest Curling Association at the Arena. Ten clubs sent rinks to help introduce the roaring game to area citizens. Most of the Green Bay club's members had never curled before and were themselves just learning the sport.

Active curling with stones borrowed from the U.S. Curling Foundation began a month later and continued for the next 13 weeks in the arena. From that beginning, the curling club has grown!

In 1960, a two-sheet club was built at 781 Potts Ave. In 1985 members renovated the kitchen, adding a bar. In 1993 the icehouse was replaced, adding a third sheet of ice along with maintenance and locker rooms.

On May 15, 2004 the original clubhouse was razed and replaced. The new facility was built and up for business in two and a half months. The club has approximately 160 members and welcomes visitors and new members!
